The current version cancels the
previous version

Introduction:

Based on the vision and mission of the Family Development Foundation and its areas of interest represented in integrated and comprehensive support for the elderly, strengthening children's relationship with them, and educating families about the psychological, health, social and economic requirements and needs of the advanced age stages in order to ensure their integration into society with different age groups, and to provide a decent and safe life for their members.

Barkitna Card

It is an electronic card granted to the category of senior citizens and residents (aged 60 and above) registered in the institution's database. It includes all services and facilities provided by government, semi-government, and private entities in the Emirate of Abu Dhabi for senior citizens . The card also offers benefits and discounts in the private sector through the Fazaa and Mazaya cards, as part of the memorandum of understanding signed between the institution, the Social Solidarity Fund of the Ministry of Interior, and Nirvana Travel and Tourism.

Objectives

Limiting all services provided to senior citizens within one work system that facilitates their benefit from them.

Introducing senior citizens to the services and facilities available and provided to them in all sectors at the local and federal levels.

Providing facilities and discounts for senior citizens from different sectors to improve their quality of life.

Services & Benefits

1. **Giving card holders priority in governmental entities to complete their transactions**, as stated in Federal Law No. 9 of 2019 regarding the rights of senior citizens in Article (10) entitled “The Preferential Treatment”, by virtue of which a priority and preference are given to the interest of senior citizens regardless of the interests of other parties, in particular completion of their transactions and services.
2. **Awareness of the services provided by governmental ,semi-governmental ,and private entities participating in the card program**, as detailed in the booklet attached to the card, will facilitate senior citizen’s access to and receipt of the services.
3. **Providing all the services, facilities and benefits offered by governmental entities** to senior citizens and residents in one card.
4. **Assisting senior citizens to complete their electronic applications by an employee in the entity** in the event that senior citizens are not able to benefit from digital services.
5. **Signing a memorandum of understanding with the Solidarity Fund / Ministry of Interior to provide Faza'a cards for discounts.**
